

Beverly Taft - SHORT BIO

Toronto-born vocalist Beverly Taft has performed throughout Ontario, as well as in Japan, and select cities in the U.S. A fan of the Great American Songbook composers, intro verses, and obscure gems, Beverly sings in French, Spanish, Portuguese and English, and her repertoire encompasses five decades of jazz, novelty, swing, and bossa nova. She is as comfortable performing in an intimate dining space as part of a duo, as she is singing with a ten piece band in an historic opera house. Beverly's interpretations have been praised by critics (from the Toronto Star to 680 NEWS, to Hamilton's View Magazine) as "delightful", "charming", "all full of energy" and "100 per cent pure beautiful jazz".
